

**Società Italiana di Immunologia,
Immunologia Clinica e Allergologia**

*Now more than ever we are seeing the importance of
immunology for global health*

Let's join us to celebrate the
International Day of Immunology
APRIL 29, 2020

Follow us on the official SIICA YouTube channel
from 29th April to 6th May

our scientists will discuss how the immune system is
involved in the fight against infections
and in chronic diseases
